

Community Back-Pack Program

Dear Friend,

Every day we witness how the troubling economy affects families throughout the United States. Unfortunately, this includes our community. Volunteers representing several churches in our community are proud to be involved in the 2011- 2012 Back-Pack Program at Stewartsville Elementary School. The program was started at Stewartsville Elementary last January, 2011, and served 140 students through the end of the school year. With your help we will keep this program going.

With voluntary contributions from individuals, churches, and businesses, nutritious/non-perishable food is purchased. Each Friday a backpack is prepared for needy children, providing them with breakfasts and light meals for the weekend. The cost to provide food for one child is \$250.00 per school year. The cost of providing food for 140 children for a school year is \$35,000.00, and an increase in the number of students participating for the 2011-2012 school year is anticipated.

With your support, hopefully no child in our community will go hungry. Your tax deductible gift can be sent as a one-time, monthly, yearly, or "Support a Child for a Year" contribution. No amount is too small. You can be assured that your donation will be used solely for the purchase of food for the program.

Please help! A child is depending on it.
